Story

[Flowers By Design](#) was founded by Mr Sandesh Kumar Reddy in the year 2004. Mr Sandesh started his career floral designer at the Taj West End hotel. After the sad demise of Mr Sandesh Reddy, the operations are being completely handled by Mayank Sharma and Poonam Sharma.

Both Mayank and Poonam are engineers by education from one of the best institutes of India (National Institute of technology Calicut). Their long time passion for flowers art and design lead them to this career in events and décor. They are really innovative, young and energetic with lots of expertise. Mayank and Poonam, with the passion for party décor and excellent organizing skills have successfully executed numerous events.

Over the years with the hard work and creativity Flowers By Design provides floral décor for all occasions and has thus lived up to its mission. Today ‘Flowers By Design’ is considered as a benchmark in the event management and party décor industry, patronized repeatedly by several clients of repute throughout the city of Bangalore and Beyond. Flowers By Design has executed more than thousands of events till date and is daily working on bettering itself to create new imaginative setups at optimum values for all our clients. We work on creating an unforgettable experience for our clients.
